## Incredible Warranty

With a Radiant Pool, you get true value and peace of mind!

Radiant Pools offers a **FULL LIFETIME, NON-PRORATED WARRANTY** against manufacturing defects for as long as you own your pool. And the warranty is **FULLY TRANSFERABLE!** If you should sell your Radiant pool, the lifetime warranty continues for the new owner. This valuable benefit can be an incredible selling tool for you!

**The Metric Series warranty includes protection from winter damage!** Snow and ice buildup can destroy a traditional aboveground pool. The incredibly strong Radiant pool wall eliminates this potential harm. Our warranty protects your pool in the unlikely event that damage occurs. No other pool warranty compares to Radiant Pools.
